Meeting Minutes, January 25th, 2018 at Don's Place, Klondike

Meeting called to order by Club Vice President Roger Lade with 16 members present.

Secretary's Minutes: Motion made by Earl Macha to approve minutes from last meeting as printed, seconded by Rick Kozlovsky. Motion carried.

Treasurer's Report: Motion made by Jim Soukup to approve treasurer's report as read, seconded by John Campbell. Motion carried.

K.L.S.C Ice Fishing Derby (co-chairs) Arlyn Libal, Roger Lade: Review and discussion by members of this year's Ice Fishing Derby which took place January 13th, 2018. It was great event with a very good turn out, good ice conditions, decent weather and good food. Profit was down from last year of approximately a total of \$3000.00 from ticket sells, 50/50 and silent auction. The pressure and competition of ticket sales in bars and such from other clubs and organizations has increased, lack of snow for snowmobilers, good ice conditions for fisherman to stay on ice all factors discussed, however, over all it was a successful fundraiser. \$13,173.95 was raised and the club thanks all our volunteers, donators and attendees.

Sunshine Report (chairperson) Cindy Brokiewicz reported 4 cards were sent out since last meeting. Darby family and Macha family received sympathy cards, Pam Lemorande and Arlyn Libal received get well cards.

K.L.S.C. Veterans Program (chairman) Glen Bouchard: n/a

Sportsman's Club Liaison Report: Spring Sportsman's Club Banquet will be held March 5th at Romy's Holiday Inn. It was decided to donate \$200.00. Earl Macha purchased, for the club to donate, a portable gas grill for Finnegan Lake Walleye Club's Fishing Derby. Thank you Earl for taking care of that purchase for us.

K.L.A.A. Liaison (chairperson) Rebecca Fabry advised she will have more information closer to spring concerning the Kelly Lake Advancement Association, nothing new to report at this time. Rebecca reported she had spoken with the Oconto Falls Agricultural teacher and was told by him that his class raises walleye as a project. Question was whether these fish could be a part of our Kelly Lake stocking. Further information/guidelines from the DNR would need to be addressed. Roger Lade will check into this for the club. Thank you Rebecca for bringing this to our attention.

Fish Stocking (co-chairs) Roger Lade, Arlyn Libal: Roger advised members, as the club is part of the Wisconsin DNR Walleye Initiative Program, we have been approved for 7000 walleye for stocking in Kelly Lake this year. Fish should be approximately 7-8 inches in size. Roger will keep the club dated on the stocking at a later date.

Memberships (chairperson) Cindy Brokiewicz updated the club that our 2017 membership total ending with 237 members. 45 2018 memberships were sold at the Ice Fishing Derby. Thanks to Bonnie Lade and Jim Trochta for their great salesmanship. Rick Kozlovsky suggested the club consider a spouse or couples membership discount or incentive. Over all members thought this should be something to consider. Board will discuss at a future time.
